

### **Biology Students**

58 Senior 1 students on 11th May went on an Ecology Study to Phoenix Park and Dublin Zoo. The students carried out ecological surveys on the biodiversity on different species of plants and animals in grassland habitat as part of their studies in Biology

Students really enjoyed the trip and in particular walking around the zoo afterwards.

### **Boy's GAA**

We entered 2 1<sup>st</sup> year teams, both teams did well in the group stage and made it to the quarter finals. One team were beaten in their section by a strong Col Rís side in the q-finals whilst the other team lost unluckily in the q-final to St Mary's Drogheda by a late goal, the team who eventually went on to win the competition. Some very good players in show and it will be great to see how well these players develop over the next 4/5 years.
